

University of  
Pittsburgh

School of Pharmacy

**GRADUATE PROGRAM IN PHARMACEUTICAL SCIENCE**

**PHD COMPREHENSIVE EXAMINATION REPORT**

Name of Candidate: \_\_\_\_\_

Proposal Title: \_\_\_\_\_

Advisor: \_\_\_\_\_ Track: \_\_\_\_\_ Date: \_\_\_\_\_

**MEMBERS OF THE COMPREHENSIVE EXAM COMMITTEE\*:**

<b>PRINTED NAME</b>	<b>SIGNATURE</b>	<b>PASS</b>	<b>REMEDIAL* (DOCUMENT ONLY)</b>	<b>REMEDIAL** ORAL REMEDICATION REQUIRED)</b>	<b>FAIL</b>

\* When the oral defense is considered satisfactory and only remediation of the document is required it is acceptable mark the student as passed and withhold the final signature of the committee chair until the student presents the satisfactory written document to the committee chair. This should occur no more than four weeks after the initial exam.

\*\* If the committee determines remedial work is needed the current University guidelines for the conduct of PhD oral examinations should be consulted; appropriate action is to be determined and noted in the "Comments" section below. If the decision of the committee is not unanimous, the case is referred to the Senior Associate Dean for resolution.

Comments of the Committee (use back of page if necessary):
